Studies in Transnationalism

Edited by Jatinder Mann (j.mann@reading.ac.uk)

ISSN: 2578-9317, <https://www.peterlang.com/series/sit>

This series is designed to advance the publication of interdisciplinary research in transnationalism from scholars in history, literature, politics, sociology, geography, and related disciplines in the social sciences and humanities. The series seeks to publish works that trace the ways in which concepts and ideas are expressed across national borders, focusing on imperialism, globalism, cosmopolitanism, diaspora, and other themes of interest in transnational studies. It embraces both established and innovative methodologies and welcomes submissions in various formats, including monographs, textbooks, colloquia, and reference books.
